COMMUNITY VISIONING MEETING

CASTINE: CHARTING THE FUTURE

A COMMUNITY VISIONING MEETING

Led by the Castine Comprehensive Planning Committee

What is visioning? Simply put, it's a tool for communities to plan for the future of their towns. Visioning is the sharing of ideas in the absence of judgment. It's a reach for the sky approach, crafted by those who choose to live and work in the community. Please, attend and bring a friend to the community meeting on 12 November to share your vision of Castine's future.

YOUR CASTINE COMPREHENSIVE PLANNING COMMITTEE WANTS TO HEAR FROM YOU! You are invited to attend the first public meeting to let your voice be heard. Take an active part in defining the important and unique characteristics of our town. Also, identify the physical aspects of Castine that are meaningful to you, those special places, buildings, viewsapes, etc. that form a relationship between you and Castine.

MEETING AGENDA:

- Brief summary of last Comprehensive Plan
- Report of written survey results
- Introduction to the rules of brainstorming (visioning)
- Community Character Exercise
- Our Town Mapping Exercise
- Announcement of next public visioning meeting
