

CASTINE: CHARTING THE FUTURE

The Third Community Visioning Meeting
Led by the Castine Comprehensive Planning Committee

For those of you who were not able to attend our first two meetings, and for the benefit of our seasonal residents, the Castine Comprehensive Planning Committee is hosting its third community visioning meeting. The objective of "visioning" is to share ideas and brainstorm solutions to help shape the future of our town.

YOUR CASTINE COMPREHENSIVE PLANNING COMMITTEE WANTS TO HEAR FROM YOU! We invite you to take an active part in charting the future of the town we love. Please join us on Monday, July 30 from 4:00 to 6:00 p.m. in Emerson Hall.

Meeting Agenda:

- * Brief summary of comprehensive planning process
- * Overview of prior meeting results
- * Open discussion with community members
- * Community exercise to prioritize issues
- * Closing comments

For those unable to attend, you may contact any committee member directly by telephone or through the town's website, www.castine.me.us, bearing in mind that all written comments and suggestions become part of the public record.
